Nothin' of the Kind

We move through our lives in constant motion as we compete with time -- turning, ticking, racing into the past. The events of our days from the moments of our past. And while the past can never take place again, in our minds we hold on to those memories, and they are forever in motion. The impact Sanger High has on each of us is inescapable. You can remember a lot. A class that gave you an opinion. A teacher who inspired you. A perfect day that made you smile. A test grade you could be proud of. A game in which you scored the winning point. A problem only you could solve. A club that gave you a great sense of belonging. The Prom that was simply magical. An honor you can never forget. Capture your past in motion. Sanger High had an impact on our lives. It just goes to show you.....few things stay the same and others never change; and Sanger High is Nothin' of the Kind.

We bid a fond farewell to Mr. Coulston who left us to go to Hardin--Jefferson in Sour Lake. Mr. Rosenberg is left with the task of keeping us straight.

Showin' that Spirit

Students at S.H.S. could feel the electric enthusiasm of school spirit throughout the 1992-1993 school year.

Each Friday during the football season, the student body would dress up in crazy outfits to promote school spirit. During the week of Homecoming each day was a different dress up days, such as: college T-shirt day, clash day, hippie day, twin day, and purple and gold day

"The Senior Class finally found the school spirit they had lost. I guess they realized that this is their last year and want to make the best of it," said senior Angela Sunnenberg.

The school spirit was intensified this year more than in the past.

Students pose in the hall, while showing off their clashing clothes.

The Spirit Of Sanger drummers strut their stuff at a football game against Bridgeport.

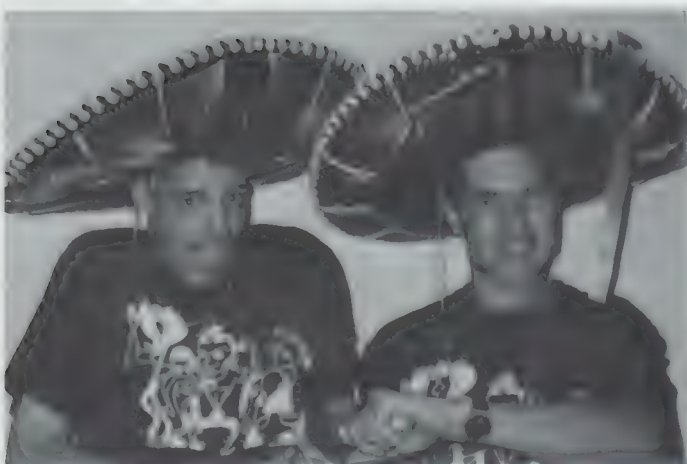

Freshman Wesley Moorehead, Chad Giese, and Jason Watson, show that they have plenty of Sanger Spirit at a Friday night football game.

Senior Josh Reed "carries" his spirit all around town. Judith Ortiz smiles for the camera.

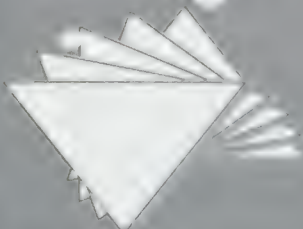

Sean Wynn displays Mrs. Yeatts' hat which he borrowed to show school spirit.

"G. I. John", Johnny Russell, shows that SHS spirit by dressing up, which he did every spirit day.

The two amigos, Eduardo Serranno and Chris Mills, were winners of *Crazy Hat Day*.

Homecoming

As crowds gathered at the Steven Baker Field, the 1992 Homecoming festivities began with pre-game ceremonies.

The Homecoming Court came across the field in anticipation waiting to hear who would be announced Homecoming King and Queen.

The 1992 Homecoming Court included King Wesley Howard, Queen Tresa Muir, and Sweetheart Wendy Murdock. Princes were Freshman Roland Escobedo, Sophomore Johnny Russell, and Junior Tracy Tutt. The Princesses were Freshman Tracy Melton, Sophomore Christina McCarty, and Junior Brandie Ryan.

The Indians were defeated after a tough game. The final score was 35-10. This was the first year that we did not have a bon-fire, but school spirit lit up the night.

Every year Homecoming is different, and the 1992 Homecoming will never be forgotten.

Football Sweetheart - Wendy Murdock, King - Wesley Howard, and Queen Tresa Muir smile for the camera during their ride around the field.

Seniors "build up" their SHS spirit on Homecoming during Mrs. Koone's senior English class.

Senior Rhonda Monty and Homecoming date Freshman Jeffrey McSpedden are all smiles for the camera.

Fads and Fashions

Leather jackets were worn by just about everyone this school year as some of the students show us.

This year fake nails were very popular at Sanger. Mrs. Mellott, Mrs. Hewlett and Alecia Ortiz show off theirs.

Go Cowboys!.....Many students wore T-shirts that supported the Cowboys at the Super Bowl.

Doc Martins were worn by guys as well as students demonstrate.

Holly Smith and Carolyn Stephens pose with their sandals on for the camera.

Stretch pants were a hot item this year as Mrs. Mellott and gang demonstrate.

Sparetime and Hobbies

Students spend their spare time differently. Some more wisely than others. Many have different hobbies, such as fishing, shopping, and just hanging out with friends. Some hobbies can take up a lot of your time, but you can enjoy yourself while doing them.

One of Kelly Websters' favorite hobbies is rodeoing. She has been doing it for years and does it well.

Mrs. Ivy has hardly any spare time, except in-between classes. Even then, she is hard at work.

Heath McGuffin enjoys birdwatching as this photo shows. His friend Kent Rider seems to have caught one.

Cheerleading takes up a lot of Brandie Ryans time, as she shows us here.

Jeremiah Rutledge spends some his spare time practicing his clarinet. Practice, practice, practice!!

First prize winners of the "Taste of the Town" were Kara Shotwell, Michelle Spraybary, Rena Dougherty, John Henderson, and Michelle Tucker. Their entry was "The Old Santa Fe".

"Taste of the Town"

Many students participated in the "Taste of the Town" competition. Most of these students were members of F.H.A. The students make delicious entrees of their choice and displays them in each entry, the entries are then judged by people around town and rated.

The students did very well, and had a lot of fun doing it at the same time.

Leslie Miller and Chad Stephenson with their entry, "The Pasta House".

The following students received awards for being **OUTSTANDING** students in their classes for the 1992-93 school year. The teacher of the class picks one student who has tried their hardest and been a leader throughout the year to receive this special award. It is very hard for the teacher to pick just one student, so sometimes they have to pick two!

Juan Garcia shakes hands with Mr. Liberto for receiving the Outstanding Student award for Mrs. Vaughn's Spanish class.

At the Award's Assembly, Mrs. Koone recognizes Senior Bobby Alexander for being the best student in the English IV class.

Mrs. Ivy congratulates Jesse Hunter for receiving the English III award. Mrs. Ivy was also given the Teacher of the Year award. Jesse received other awards as well.

David Jernigan receives the Outstanding Student award from Mrs. Carpenter, the Content Mastery teacher.

Academics

REQUIRED CLASSES

At Sanger High School, a variety of classes are offered. Both required and elective classes fill the day.

The required classes consist of the sciences, math, English, and History. In these classes, homework assignments and lengthy lectures are not unusual. These classes are the most important because credit is earned toward graduation.

At SHS, there is a wide range of elective classes. Home economics, athletics, business, band and drama are all electives. Electives are selected according to the individual student's interests.

Sophomore Tricia Masten concentrates hard on her Geometry assignment.

Freshman listen to one of Mr. Danner's "famous" lectures in Physical Sciences.

Sophomore Skipp Roelofs and Freshman Robyn Milburn work hard in Mr. Higgs' class.

Freshman girls demonstrate how to work using the buddy system.

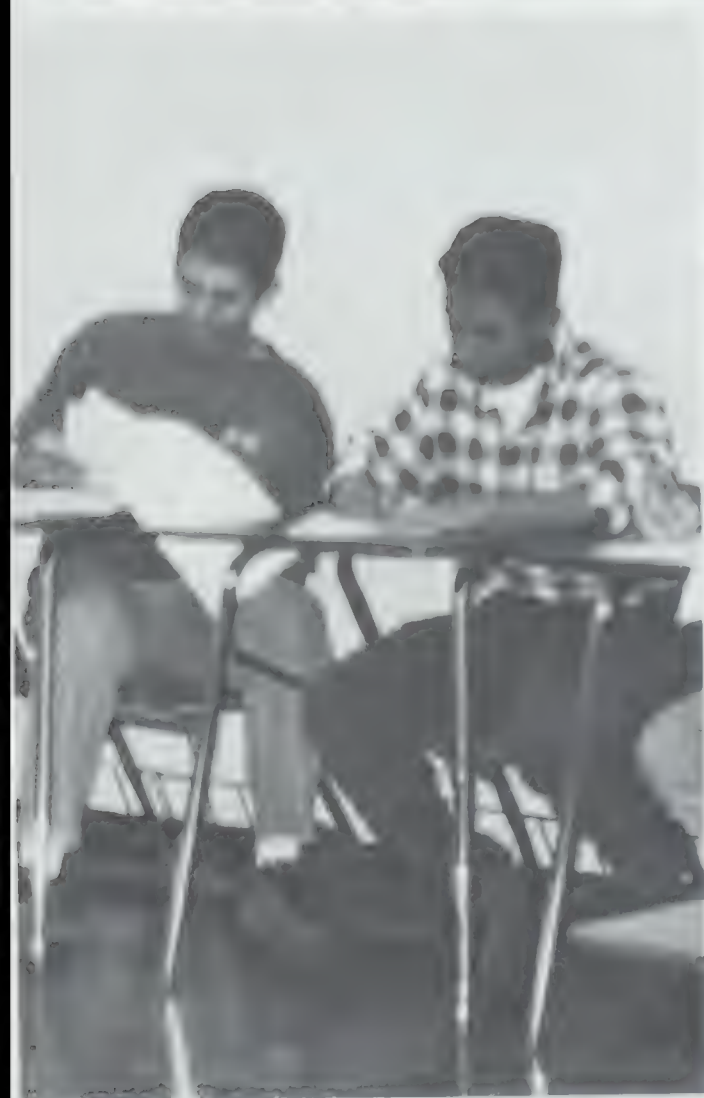

Avery Huckaby carves on his cat in Anatomy.

Brady Beard smiles his mischevous smile in Biology.

Jason Trietsch demonstrates his good typing skills in keyboarding.

Gus Dorrell and Martin Vilanueva exhibit the buddy system during English.

Sophomores listen intently to Coach White's excellent singing.

Sports

Lady Indian Volleyball

The Sanger Volleyball teams had a very challenging season this year. They were a very young team, only having three seniors. Throughout the entire season these ladies never gave up and worked hard to improve their skills.

Coach Barry Hawkins said, "I think that although we did not have a perfect season as far as record wise, we had a great time and all got along with each other."

The girls learned to work with everyone and play as a team. Junior, Daniele Spriegel stated, "I really felt that our team had 'team pride' and all of us worked with each other well."

The Lady Indians had a great season!

Misti Trussell, Heather McCuiston, Hannah Giese, Stephanie Sons, Elizabeth Greene, Daniele Spriegel, Evie Hayes, and Sommer Boland showed their spirit before the Princeton game.

After Andrea Benson sets the ball, Heather McCuiston looks on while Karen Sink spikes the ball to score for the Lady Indians against Princeton.

Varsity Indians listen patiently to Coach Hank Cooper during a time-out against Pottsboro. The Lady Indians defeated the Pottsboro Cardinals in this game.

Varsity Girls--Coach Hank Cooper, Christina McCarty, Julie Jannereth, Daniele Spriegel, Coach Barry Hawkins, Tricia Masten, Kelly Webster, Misti Trussell, Hannah Giese, and Stephanie Sons.

Varsity players Misti Trussell, Kelly Webster, Christina McCarty, Daniele Spriegel, Julie Jannereth, and Tricia Masten get ready to "Bump, Set, Spike!"

JV Girls--Coach Barry Hawkins, Karla Frizzell, Sommer Boland, Stacy Shotwell, Evie Hayes, Karen Sink, Veda Williams, and Andrea Benson.

Freshmen Girls--Coach Barry Hawkins, Renee Stubbs, Melissa Campbell, Heather McCuiston, Tara Herzog, Elizabeth Greene, and Coach Brad Floyd.

Evie Hayes sets the ball, while Sommer Boland gets prepared to spike it. This was against the Princeton Panthers.

FOOTBALL

The J.V. Football team had a very successful year despite a record of 4-6. The record was not indicative of the quality of the play and effort the team put forth week after week.

The first three losses for the young squad were all 2 pt. defeats. "We had a chance to win every game we played this season. Some crucial breaks just didn't go our way or we could have very easily finished somewhere around 7-3 or 8-2," said Coach Grimes.

The J.V. squad racked up two convincing wins against the Whitesboro Bearcats, 27-7 and 26-0, respectively, for their 2nd and 3rd victories of the season.

"We're just extremely proud of the effort and determination the kids showed. It could have been real easy for them to get down on themselves after falling behind 14-0," said Coach Grimes.

The year was highlighted by a total team effort week after week. M.Villanueva, B.Beard, and J.Nix were all leading rushers for the year. J.Echols, P.J.Redmon, and C.Tankersley contributed weekly to assigned positions.

Next year should see a number of sophomores moving onto the Varsity Level to contribute to the chance of a district title.

The team was very competitive in all their games except for the loss to Gainesville in the last game of the year. Freshman/J.V Girls Basketball

The junior varsity girls basketball team finished a great season at 13-4. JV teams usually consist of a couple of juniors and the majority are sophomores, but this team was unique. Not only were they short in numbers, but most of the time the team consisted of one junior, three sophomores, and four to five freshmen.

"This was a difficult year for my girls. The adjustments from game to game were a struggle, playing with different teammates every game. They never complained and always worked as hard as they could. I love every one of them. Thank you girls for a great season," replied Coach Hawkins.

While the girls take a break from the game, Coach Floyd goes over some new plays.

The 1992-93 9th grade Lady Indians had a tough season this year. Their overreall season record was 3-6.

"These girls showed enthusiasn all year long and the desire to win," said first year coach Brad Floyd. "I am really proud of these girls and enjoyed coaching them."

The team was lead offensively by Melissa Campbell who averaged 7.5 points a game, and mant other team members contributed greatly.

Amie Pennington said "Coach Floyd worked really hard to encourage us and let us know we were winners even after a loss. We all worked hard and played together as a team."

Even though the girls didn't win all of their games, they kept their chins up and had that optomistic Indian attitude.

"Our season has come and gone but the memories will go on and on. This team was a joy to be associated with, they were the epitome of hustle and hard play. They took the assests given to them and used them to their max. Each girl had a role to play and everyone did their job with no questions or excuses. All a coach can ask for in any sport is to be associated with young people who will give their all and this team truly did. We did not meet our goal of going to the playoffs but I could not be prouder of a group of people than I am of you.

We will miss our seniors and the leadership you gave us this year. We can only hope our seniors next year can follow the example you have left them, if so you guys will be proud of us.

Next years team has the potential to go as far as they desire. I hope to be a part of something special here in Sanger," said Coach Cooper.

At one point in the season they were 8-5. Then grades came out. Losing valuable teammates caused the Indians to reevaluate their role on the team, change the tempo a bit. Sanger finished the remainder of the season 2-5, playing everyone very close. Top rebounders for the year were Brady Beard and William Stevens.

The freshman boys team ended the year 5-6. Great hustle, determination, and a super attitude were the keys to the five win season for the young Indians.

The young players started off the year with three straight losses, but then whipped Pilot Point by a score of 41-26 for the first victory of the season.

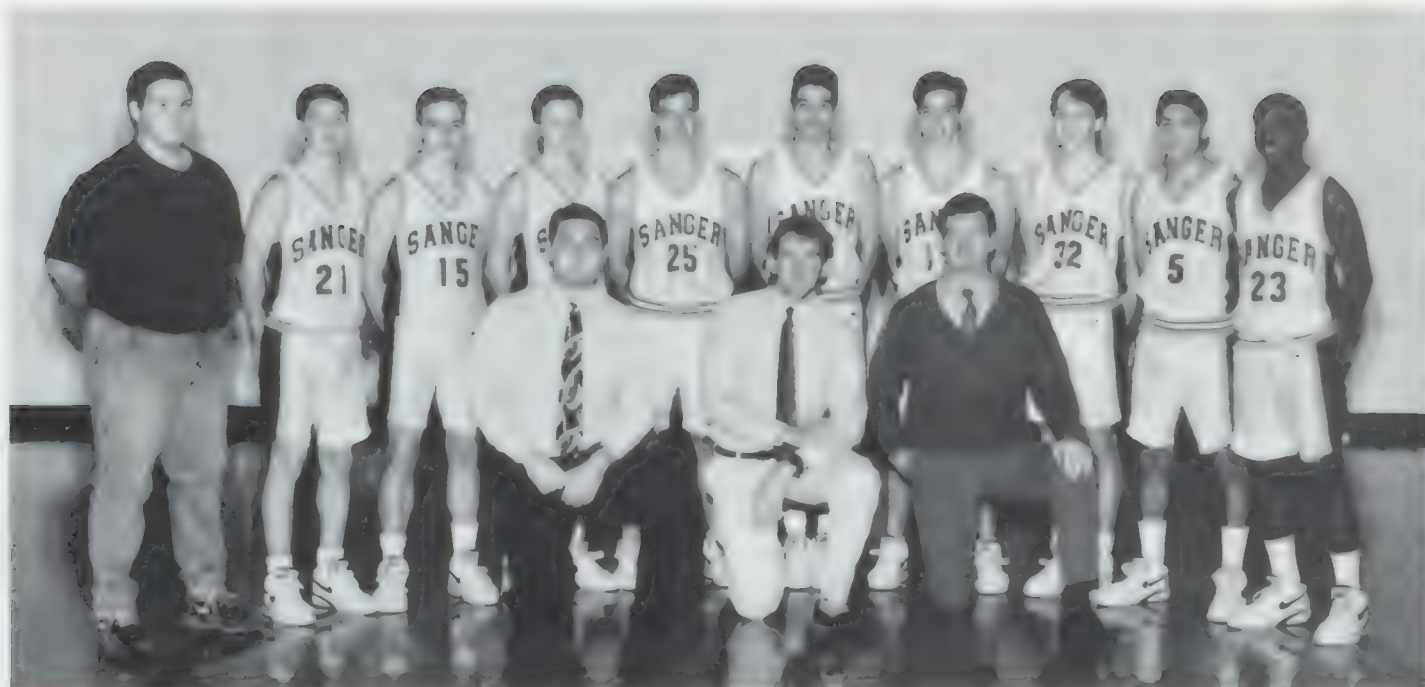

After many more tough games, the guys climaxed the year with a win over Gainesville, 47-42. "The guys just gave it their all and never let the pressure off Gainesville," said Coach Grimes.

The Indians were led by Damon Boyd, averaging 14.3 points per game. Others were Greg Taylor with 9.0, Jason Triestch with 6.5, Chad Geise and Greg Taylor were the leading rebounders for the year. Casey Redmon and Devin Goodner also were leading contributors.

"This is a close-knit group of guys. They're friends off the court, as well, which gave them a closer bond on the court," said Coach Grimes on the unity of the freshman team.

"In my seven years of coaching, I can honestly say I have never had a harder working group of guys, at the high school or college level. From the start of school in August until the final buzzer on Feb. 19th, the guys had shown they wanted to be winners.

From the beginning of the season, the team slowly but surely improved. They were in better condition than any team they played but, more importantly, they showed more class. They were outsized by every team, shorter than every team, but seldom did the other team play as hard.

This season, the Indians gained their first victory in two years, and then some. They took thier first victory win at Nocona on the road. From there, thier improvement skyrocketed.

Most coaches might not be pleased with an 8-23 record, but for Sanger Basketball, it should be the beginnig of a new era," said coach Shearmire.

The Lady Indians Golf Team had an exciting year. First time golfers Karen Sink, Elizabeth Green, Robyn Milburn, April South, and Daniele Spriegel enjoyed playing with people from other teams and just having fun. At first it was hard for them to "catch on" to the sport, but once they started getting used to it, they started playing better and better. For veterans Julie Jannereth and Amy Croft, it was just as fun as it had ever been. Although the team didn't take it to Regionals this year like last year, the team placed third at the district tournament, one place away from going to Regionals. That team consisted of Julie Jannereth, Amy Croft, Karen Sink, and Robyn Milburn. Overall it was an exciting year and those returning next year are ready for another exciting year!

It's a mad dash for the finish line..... as Sid Campbell and Jesse Hunter race for the finish line in the Springtown track meet. They placed 6th in the Intermediate Hurdles.

We have made great progress in our track program since 1990 when we were only able to score 6 points at the District meet.

This year we scored 127 points and edged out Gainesville for the runner-up trophy at the district meet. Our 9th and JV teams also took home the runner-up trophies in their division.

Our track team was led by our two seniors Wesley Howard and Justin Slider. Wesley anchored our sprint and mile relay teams and scored in the 400m. dash. Justin competed in the shot and discuss. He set a school record in the discuss at the district meet with a throw of 162'10". Distance runners scored well at district. They were: Chip White, John Henderson, Buddy Smith and Jimmy Holley. In the throw's Justin Slider, Tommy Frazier, Brian McCall and William Stevens placed high. There were three hurdlers that made great improvements and placed. They were: Jesse Hunter, Jason Whitely, and Sid Campbell. In the sprints Wes Howard, Kyle Shumate, and Chad Holland placed. The sprint relay consisting of Kyle Shumate, Chad Holland, Jesse Hunter, and Wes Howard placed 3rd running at a time of 44:8! The mile relay of Kyle Shumate, Sid Campbell, David Taylor, and Wes Howard finished 4th with a time of 3:32.

Giese ran both the 3200 m. and the 1600 m. runs where she placed well at every meet including the district meet where she placed 1st in both the runs to advance to regionals. The long and triple jumpers were also a great asset to the team. The teams spriners C. McCarty, S. Sons, and J. Jannereth were competitive in their events. In the 400 m. dash at district C. McCarty and S. Sons finished 1st and 3rd respectively. K. Wade and D. Spiegel represented Sanger proudly in the 100 m. and 300 m. hurdles. All members of the team contributed to the relays. *The Class of
1994
Juniors*

The Junior class has been very busy for the majority of their school year. Almost all year they have been planning for the Prom. The major money making activity was the basketball concession stand. With this activity, they raised over \$3000 for the Senior Prom.

The Junior class is also in charge of planning everything that happens in the Prom. Throughout the year, different committees have been busy trying to decide exactly how they want the Prom to be. Included in these decision making groups are the Prom committee, the music and theme committee, and the decorations committee.

Unlike some of the previous years, the Prom this year was held at the Radisson hotel in Denton.

Sophomores

The Class of 1995 has had a year to remember. The U.S.S.R. has broken up, people are starving in Somalia, and a new president and political party is running the country. Among all these things, the sophomore class strives toward graduation.

Though the Sophomore Class is only half through their high school career, they are optimistic toward the future. Now that they are not at the bottom of the totem pole, they can concentrate more on classes than adjustment to the new atmosphere of high school.

Freshman

The Freshman class this year certainly is going to have a struggle to graduate. The new school year has brought more classes during the school day, but more credits are required to graduate.

Some students commented on the transition from middle school life to high school life.

"The teachers and coaches push you harder to do your best," said T. Herzog.

K. Sink states "I feel like I live here."

"You are more responsible for what you do," tells A. Pennington.

All in all, the Freshman class has an uphill climb.

Pre-Graduation

Pre-Graduation activities began with the presentation of the seniors on Senior Night at Chisolm Trail Elementary. Sixty-nine seniors were recognized that night for all of their high school achievements.

The Sunday before graduation, Baccalaureate was held at the First Baptist Church.

Many preparations were made in order to have these activities, and thanks to our sponsors they were all completed.

Graduation- The Class of 1993

Just a few of the graduates gather for a last minute pose before taking center stage at the Margo Jones Auditorium.

On the night of May 28, 1993 very proud parents, grandparents, aunts and uncles, brothers and sisters and friends of Sanger High School students crowded into the Margo Jones Auditorium, on the TWU Campus, to watch a memorable event take place.

The Class of 1993 consisted of sixty- nine very talented individuals. There were fourteen Honor graduates, two of which were Valedictorian, Tresa Muir and Salutatorian Chris Brown. There were also some special guests that attended the ceremonies, including school board members and other administrators. The high school choir sang "You Will Never Walk Alone" and graduate Rhonda Monty sang the class song by Amy Grant, "I Will Remember You."

Administration

FACULTY

Why would anyone want to be a teacher? Putting up with millions of excuses and grading papers. How do the teachers take it? Every teacher has their own reason for wanting to teach. Mrs. Koone gives her explanation to the question.

"I really enjoy working with young people, because it keeps you thinking young instead of old, and I like the idea that what I am doing may not show up until ten or maybe twenty years later. To me people are more important than anything else."

Mr. Heath's reason for teaching is "because when I was in high school I really enjoyed the two people who were my Band directors. I thought that they were really neat people and I wanted to be like them."

Mrs. Monaghan says, "I enjoy working at Sanger High School. The staff and students have made me feel very welcomed. The atmosphere here at SHS is warm and friendly. It's nice to work in a district without the politics I've seen affecting other districts."

No matter what the reasons are, Sanger teachers are all dedicated to their work and really care about each other and every student.

Seniors

Band

The Sanger High School Band has had many great times this year. Football games and pep rallies are not all that the band does. The band also competes in several competitions such as the marching band contests at T.C.U. and the State Fair.

The band received a three at both of these competitions. Although, it was the same rating that the band received last year, the band feels that it has greatly improved.

The charmers this year were really talented. Although they didn't attend any competitions, they were still very successful.

Mrs. Spruiell said the best thing about this year is the closeness of the team. She also said the funniest thing that has happened this year is the night the whole team smashed into her room at camp and told stories and ate cookies. Mrs. Spruiell is looking forward to next year because she has the best group of new members she has had in a long time, she is also excited about having a bigger team and using some new and innovative props.

Lt. Rebecca Watson performs a dance at the Sanger Sellabration.

DANCE

Members of the dance class: Leah Boone, Holly Smith, Carin Scaff, Michelle Sprabary, Alicia Ortiz and Brandie Ryan show off their talent while dancing to "Move This."

One of the elective classes offered during the second semester is dance. This class is taught by Mrs. Spruiell, the charmer director. Members of the dance class are taught several dances to different types of music. "I am proud to have been able to be in dance the very first year that it was offered. I am also proud to be one of the few guys in dance and to also have been chosen to receive the dance award for its first year." said senior Curry Searle. Sophomore Carolyn Stevens said "The reason I like dance is because its a lot of fun, its a chance to have a good time and let out the tensions of the day. "I like the exposure to different types of dance and music. Being one of the two guys in class has made it a lot of fun." sophomore Todd Martin said.

Freshman Dee Browning struts her stuff in dance class while performing one of her favorite dances.

Sophomore Leah Boone gets lost while doing a dance and other members of the class try to get her back on track.

Rah! Rah! Rah! That's what the J.V. and Varsity cheerleaders yelled as they traveled down I-35 on their way to Dallas to compete at the national competition. Both squads gave outstanding performances, and represented Sanger very well.

"I really enjoyed going to nationals. It was a very exciting experience that I will never forget," said Senior Wendy Murdock.

Not only did the squads do well at nationals, but they had a very successful season. In spite of the injuries they had over the season, they still managed to get the fans on their feet.

Up, up, and away... doing a toe-touch.

Varsity Cheerleaders pose for the camera before the first scrimmage of the year. "Don't they look spirited?"

"Clap your hands everybody, everybody clap your hands", J.V. Cheerleaders perform at a home game.

Science Club

The Sanger High School Science Club had a very enjoyable year. Much like years of the past, Mr. and Mrs. Danner lead their fearless group on another of their famous Spring Break Trips. In addition to the many field trip scheduled, this year's group had one of the most memorable years in Science Club history. This year a large percentage of the club will go on to bigger and better things, but those of us who experienced the trips will remember them forever. The senior members of the Science Club would like Mr. and Mrs. Danner to know that they are appreciated beyond imagination.

Here we go again. The 1993 Sanger High School Science Club is about to embark on yet another journey. Led by Mr. and Mrs. Danner, they are sure to have a very unforgettable trip.

Yearbook

What is the meaning of the yearbook? It's a small opening in the window of school life. It shows happy, sad, good, and bad. We want to show the experiences we share and the trials we have overcome so when we look back in ten years to the days we miss the most we can smile and say, "Yes, I remember that. It was a great year".

P.S. Thanks you guys for all the help meeting those deadlines!!!

With the addition of part-time accompanist Patricia Turner, the choir has been in demand more around the Sanger community this year. They have sung at the Sellabration, for the Lion's Club, the Wednesday Study Group, the Care Inn, the elementary school, and the intermediate school.

On April 4th of this year, the choir participated in a Fine Arts Department field trip to see The Phantom of the Opera at the State Fair Music Hall. This year's Spring Concert May 13 will include the choir performing selections from the Andrew Lloyd Webber musical.

They started the year off right by having a booth at the Sanger Sellabration and earning money for the year's activities. During the football season, TAFE gave away football tickets to the guy and girl dressed up with the most spirit. In November, TAFE helped with "Red Ribbon Week" by putting ribbons on all of the cars at Sanger High and wearing red shirts. TAFE members also attended the district meeting of the Texas Association of Future Educators. In the spring, TAFE sponsored "Teacher Appreciation Week." During this week, TAFE hosted a teacher breakfast. TAFE ended the year by teaching at the elementary school the last nine weeks of school.

Texas Association of Future Educators had a really exciting and productive year.

All the time!

Andrea,

It's so hard believe this year has come so fast. We are very proud of you and your accomplishments. We will always be here to support you in what you choose in life. Follow your dreams and work hard for your successes.

*We love you,
Mom, Dad, & Mandy*

Andrea McDaniel

Molly,

Over the years so much has changed. You're no longer our "little" girl who needs to be watched over and cared for, even though we still try to overprotect sometimes.

You're an adult now with your own ideas. Even though you're grown up; the love, the pride, the caring are still there, and they always will be. May the Lord guide you in whatever decision you make about the future.

*We love you very much,
Mom, Dad, & Stephen*

Chris,
Throughout the years you've always kept that smile on your face. You always look for the good in people and make friends wherever you go. You have been much more than a son to me, you're also my friend. Now is the time I've dreaded for years -- letting you go. I'm very proud of you and I'll al-

Chad,
We love you! We are so proud of you and your accomplishments in school. We will always be behind you and here for you, the rest of your life. May God bless and protect you.

Love,
Mom and Dad

Chad,

I know it's not always easy having a little sis around, but we should be thankful we have each other. We've grown up together, considering that we are only 17 months apart, and that has made us close. You and I have had a lot of good times. I've especially enjoyed arguing with you. (ha, ha) I just want to wish you the best of luck in life, and may God always be your guide. I love ya!

Your sis, Brandie,
P.S. I love you bubba! From: Colston

JASON BELLAR

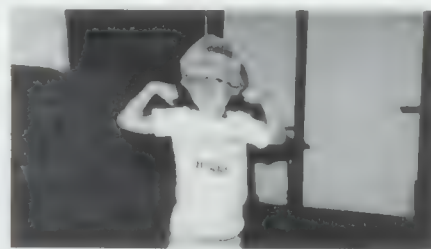

Jason,

We've watched you grow from a child into a fine young man. Take life boldly, with your eyes open, and both feet on the ground. Seek God's will in your life, and stand firm. We love you and are very proud of you.

Good Luck! Leslie

We are so proud of you and everything you have accomplished. It seems like only yesterday you were a little girl eager to take on whatever came yur way. Time has passed so swiftly and now you are beginning the most exciting journey yet. We wish you success in everything you attempt and want you to know our love is always with you. Keep that "positive attitude", bright smile, and eagerness to learn new things and you will go far.

God Bless You.

A sister's a sister forever
A bond that diminishes never
A friend who is finally and caring
A sibling God chooses for sharing.
As growth independance you ponder
Your feeling grows deeper and fonder,
And life tells you one thing that's true
A sister's a large part of you...

Thanks for always standing by me and sticking with me through our rough times. I hope you have a fulfilled future and life ahead of you. Best wishes.

Love your Little Sis,
Alecia (Minnie)

Dear Amy

Remember putting those teeth under your pillow and waking up to discover the tooth fairy had replaced them with *CASH*!

One day you were a little first grade student; and almost overnight you turned into a big Senior. Like the tooth fairy who kept the baby teeth, we keep the memories of the little girl as we congratulate the *GRADUATE*. We are so proud of *YOU*!

Love,

Mama, Daddy, and Rhonda

Our beautiful little girl has turned into a lovely young lady. The pride we feel is beyond words. Renee, we love you and wish you a future full of happiness and success.

Love,

Mom & Dad

Congratulations Sis!

Love, Jeff

Denny,

You are capable of accomplishing anything you want. Work hard and do your best.

Love,

Jerry (dad)

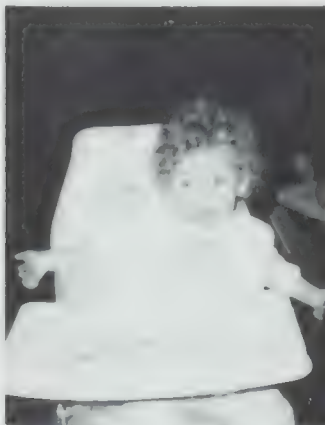

Jennifer,

We are so proud of you. May life always be as good to you as you have been to us. May God always bless you.

Love,

Junior Tracy Tutt struts his stuff across the dance floor.

Veda Williams and Mike Elmquist seem to be a bit bored.

The love-birds, Dawan Coulston and Lem Watson share a moment together at the Favorite's dance.

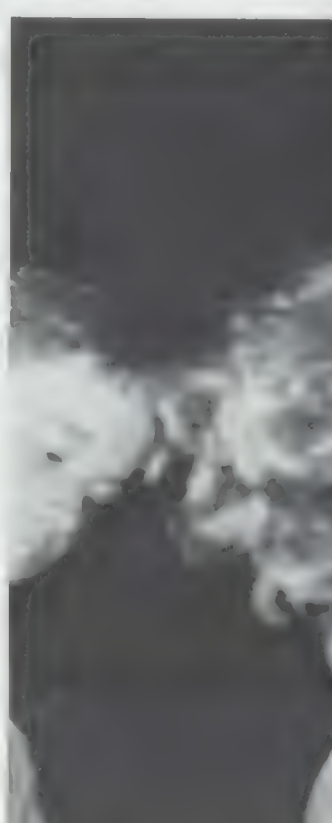

Sophomore Lorie Reynolds was S.H.S twirler for the 1992-1993 school year.

"Sanger High School, can I help you?" Kerrie Keys was one of the many students who worked in the OOTF.

David Jernigan gives all he's got to bang up the car the juniors had as their fundraiser at the Sanger Sellabration.

"Open up and say, AHHH!!" ...Terry Stogsdill displays his craziness and strikes a pose at the dance.

Balloon man? No, it's just Scott Cook relaxing at the Sanger Sellabration.

Coach Cooper and Mr. Biggerstaff talk among themselves at Prom.

Freshman Tara Herzog dances her heart out at the Favorite's dance.

Sophomore Lex Parker tries his best to stay awake in class. We all have that problem sometimes.

Martin Benevides, Roland Escabedo, Mitch Brown, and Jody Nix stop long enough to give a smile to the camera at one of the track meets.

Kyle Vandergriff and Elizabeth Greene talk in-between classes.

Mr. Higgs walks up to receive his award at the Awards Ceremony. This was Coach Higgs' last year to teach.

Mike Bledsoe joins his friends in "digging for gold" which was FHA's fundraiser for the Sanger Sellabration.

David Taylor and Mrs. Danner working hard to get things ready for Prom.

Freshman Wesley Warlick shows everyone his John Travolta dance moves.

Ms. Chunn, John Colston, Emily Davis, April Boise, and Helene Moorman take a breather before going back to work for the Special Olympics.

Friends Dawn Morse and Kelly Vandergriff smile for the camera.

Nothin' but the Memories

The 1993 Golden Warrior was written for you, the student body of S.H.S, to someday look back on and remember all the times you shared with your friends and classmates. The good times and the bad, the crazy and wild, the serious and the not-so-serious. The Golden Warrior staff has tried our best to capture most of these moments on film for you to enjoy.

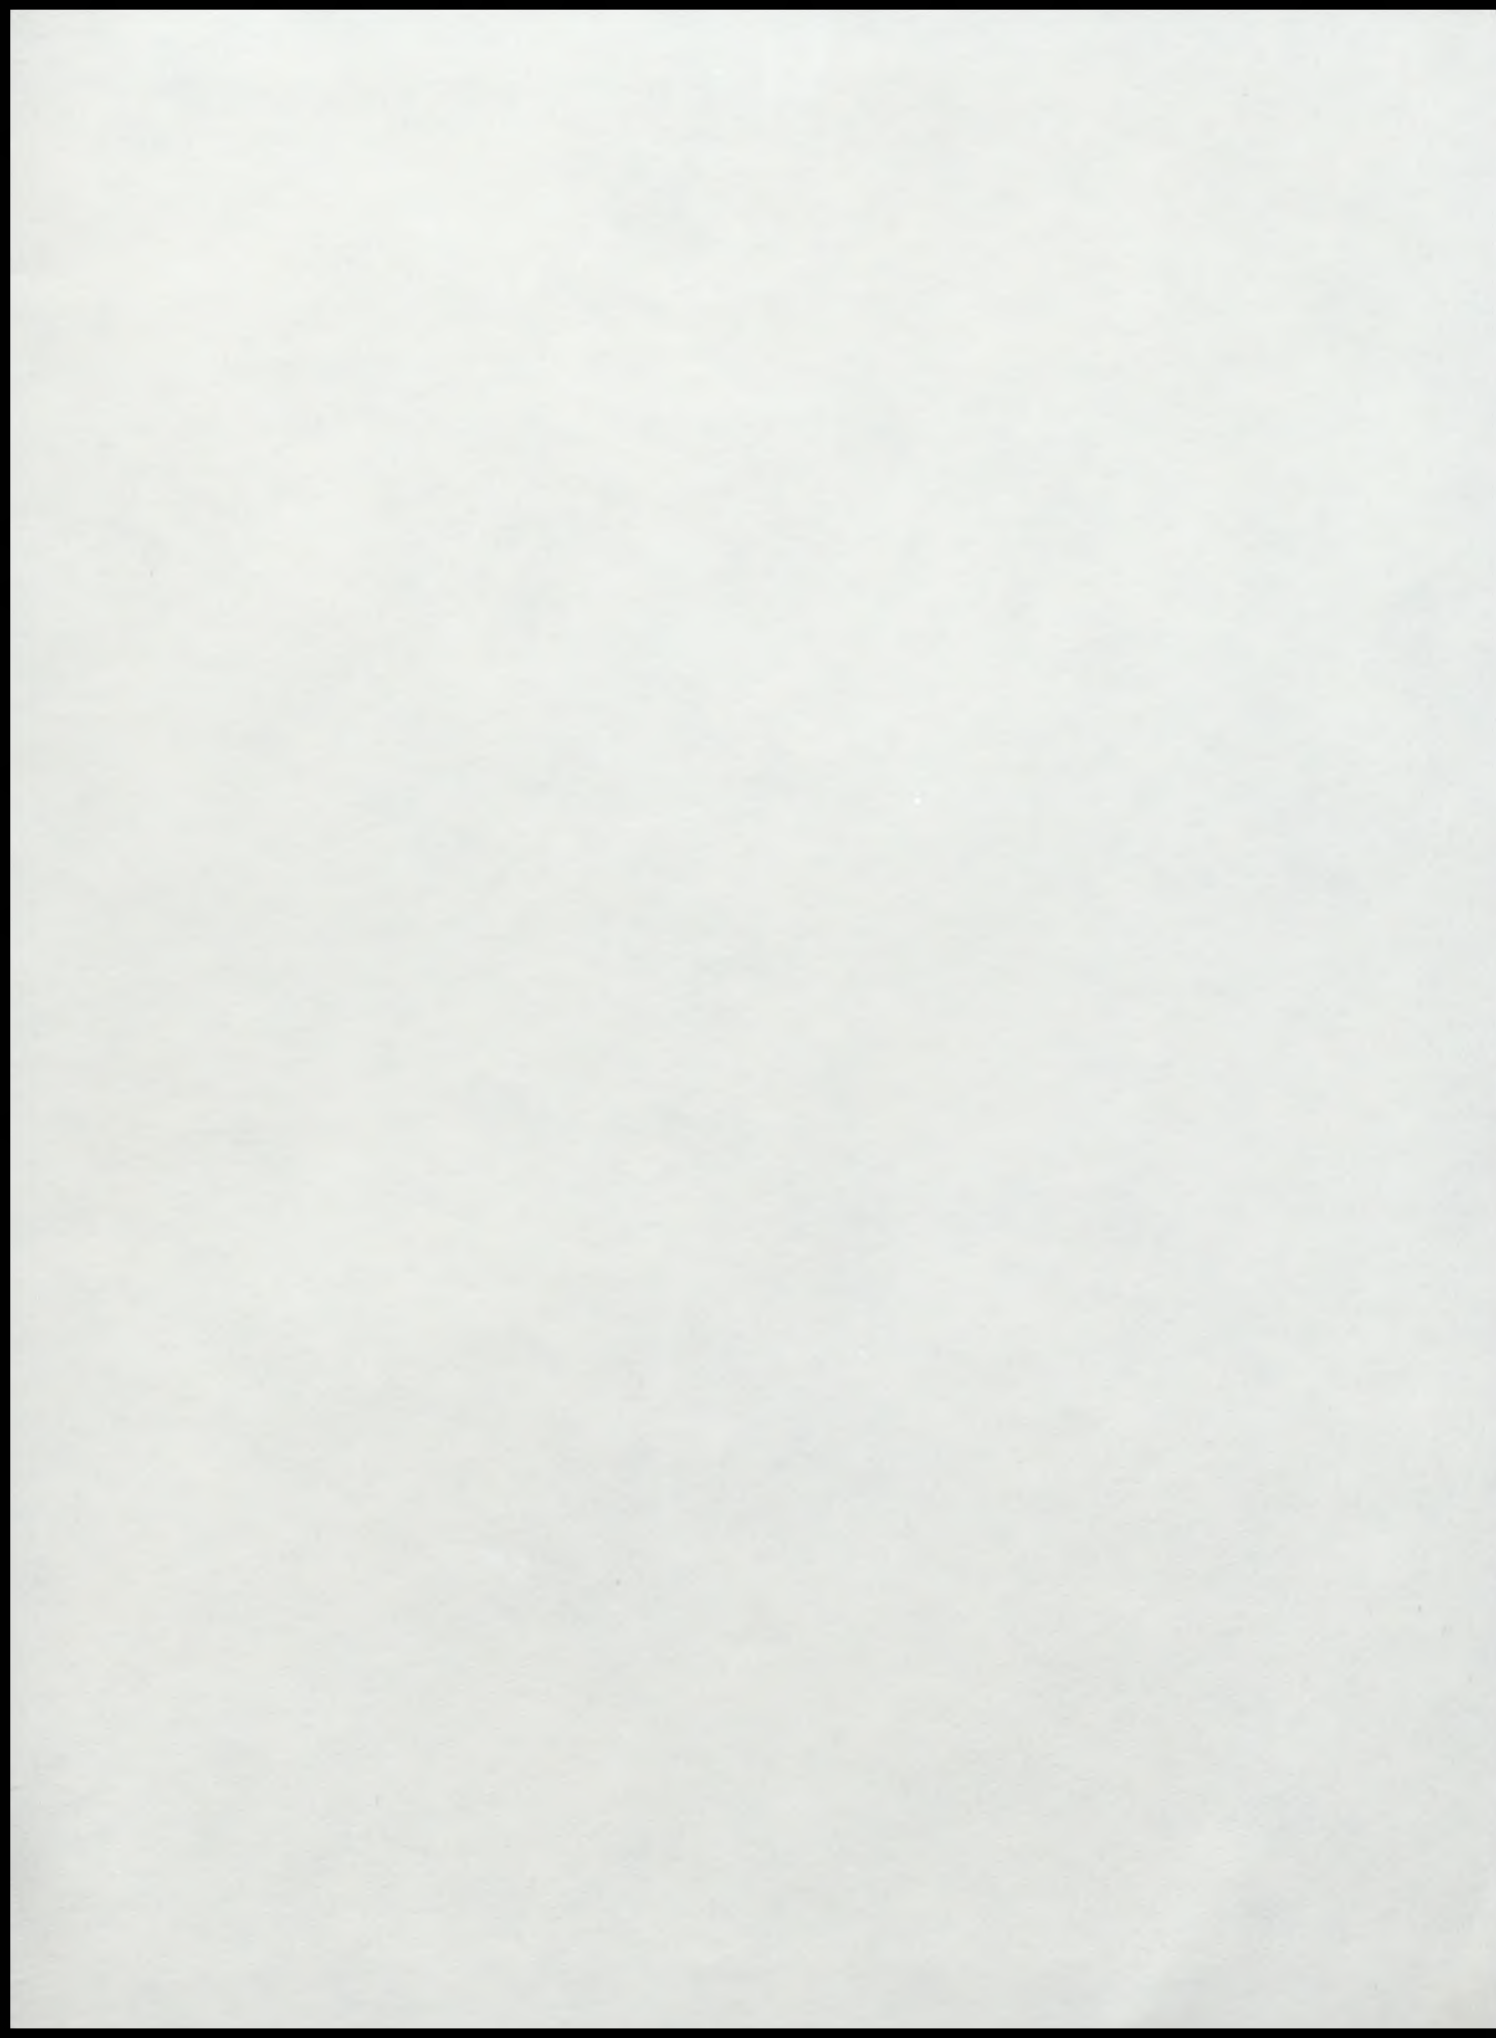

The staff has worked very hard this year meeting deadlines and putting all they have in them to complete the yearbook. Most of the members of the staff were new to all of this. I feel they have learned a lot since the beginning of the year, and did a wonderful job. I couldn't have done it without them. I appreciate all they have done. I know it wasn't easy putting up with all of mine and Ms. Chunn's griping, always pushing you to work all the time; but wasn't it worth it, meeting the deadlines and knowing you were one step closer to finishing. Ms. Chunn was a great advisor. She never let a day go by without us working. She pushed us to our potential and made us accomplish what we said we would do this year. Thank you, Ms. Chunn, for all you have done. Thank you also, yearbook staff, for giving all you got into the completion of the 1993 Golden Warrior.

I hope you enjoy this book and have fun looking back at all the memories you shared at Sanger High School this year. To the Senior Class of 1993--I will miss you all and wish you all luck in the future. Go out in the world and leave your mark for all to see.
